

Notes for Parents:

Please follow the signs for B-Hub (purple doors), and you can park on the ground level. You can use designated Rink parking spaces towards the far left of the parking lot. There is direct access to the locker room level there.

Please bring your parking tickets with you to get them validated.

Notes for athletes

We practiced there, and the rink is warm- please dress accordingly. Also, the rink provides pucks. Do NOT bring pucks; they won't let you use them.

It should be a fun, memorable experience for all teams.
